General Information about Entering

a USEF-Licensed/USDF - Recognized/ ODS Approved, Dressage Show

- A completed entry is required for every horse brought onto the show grounds. Horses not entered in the show may not be brought onto the show grounds without prior permission of show management.
- In the Dressage division, each horse/rider combination is considered a separate entry, and is issued a separate number. Therefore, a completed entry form is required for *each horse/rider combination* for each show.
- *An entry is not complete* without full payment, proper signatures, and proof of all required memberships and horse enrollments. No entry is valid without full payment; competitions have the right to refuse entries that are in any way incomplete.
- Be sure to use the current year USEF/USDF/ODS-Licensed Show Entry Form for all shows listed in this section. Read each prize list carefully to ensure that the show does not have its own required form (such as for the USDF Region 6 Championship Show). Photocopy the master entry form at the back of this *Prize list*, or download the appropriate form from the ODS website http://oregondressage.com/entryforms.html
- It is customary to mail entry forms to the show's secretary unless prize list instructs you to mail the entry to a different person.
- Separate signatures are required for Rider, Owner and Trainer. If it's all the same person, three signatures are still required.
- Entries will be processed in postmark order unless otherwise stated. When all ride times have been filled, *even if before closing date,* remaining entries will be placed on a waiting list.
- Unless specified differently within an individual prize list, ties regarding entries received at any time on the same day will be broken by lot; said drawing will be held at 4PM on the first Sunday following the published close of entries at the office of the competition secretary. Any potential entrant has the right to be present in person or by representative at the drawing of lots.
- Phoned, faxed or hand-delivered entries will not be accepted unless otherwise stated.
- Early entries — entries postmarked before the published opening date — may be penalized at the discretion of show management.

USEF - Licensed / USDF - Recognized / ODS - Approved, Shows Rules

EVERY CLASS OFFERED AT ANY SHOW LISTED IN THIS SECTION WHICH IS COVERED BY THE RULES AND SPECIFICATIONS OF THE CURRENT FEDERATION RULE BOOK WILL BE CONDUCTED AND JUDGED IN ACCORDANCE THEREWITH.

General Rules and Regulations

All questions not covered in these rules and regulations shall be decided by the show management whose decision shall be final.

Every horse entered for competition will comply with the rules of the horse show management, but management will, in no case, be responsible for any loss or damage that may occur, and it shall be condition of entry that each exhibitor shall hold this horse show and the officials and employees of the show blameless for any loss or accident to his horse, employees, equipment, which may occur from sickness, fire or otherwise.

The management reserves the right to refuse, accept conditionally, or to cancel any entries, disqualify any riders or exhibitors, prohibit entries and cancel award prizes without claims for damages; to cancel or combine unfilled classes, or to reschedule classes after due notice to exhibitors; to change rings or rotate judges.

Exhibitors are notified that any act of discourtesy or disobedience to the judges or officials, on the part of the owner, manager, rider, or groom shall disqualify the horse, and the owner shall forfeit his entry fee and other fees.

Show management reserves to itself the power to prohibit any person from attending or showing a horse in the ring and to remove any groom or horse from the show without being liable for compensation.

In accordance with the 1989 Federal Waste Tracking Act, which restricts the disposal of medical waste, bio-hazardous medical waste containers will be provided in the stable area. All exhibitors and their agents are responsible for the proper disposal of this waste.

No person will be allowed in the show ring during the time of judging except the exhibitor and those having official or requested duties to perform.

It is the tradition of the show that riders be correctly attired for the class in question, that attendants be neatly dressed and the horses properly presented. Management may in its discretion bar any person from entering the ring if not suitable presented to appear before an audience.

General Rules for Riders

Competitors are allowed in and around the competition arena only during their scheduled ride times and during the posted schooling hours.

If a mathematical error on the scoresheet is discovered, it must be brought to the attention of competition management within one hour of the official posting of the scores from the last class of that competition day.

Classes may be scheduled out of order, it is the competitor's responsibility to find out their ride times, and to immediately notify show management of any time conflicts that may have escaped the scheduler's notice.

Failure to enter the competition arena at the assigned time will result in elimination.

Helpful Hints for Easy Entries:

- Planning to attend several shows this year? Partially fill out the correct master entry form with the basic information about you and your horse – no signatures! – and make several copies. Store masters and copies with your show files. THEN, for each show, finish filling in show name/ date/location, class numbers/names, fees, and all required signatures.
- Note that USEF no longer accepts affidavits of membership. You must provide proof of membership for every show or pay the show-pass fee. No alternatives. No exceptions.

USEF - Licensed / USDF - Recognized / ODS - Approved, Shows Rules

Class splits and rider divisions

Classes at these recognized shows may be split by division — Open, Junior, Young Rider, Adult Amateur, or any combination — at the discretion of show management. Be sure to indicate rider's division on entry, or you will be put into the Open section by default. Eligibility for the various divisions is specified in the *U.S. Equestrian Rule Book*, which is available online at www.usef.org. See rule DR119.3 for Juniors and Young Riders; GR105 and 106 for Amateur.

- Riders are **Juniors (JR)** until the end of the calendar year in which they turn 18. *They must provide their birthdate on the entry form as proof of age.*
- Riders are **Young Riders (YR)** from the beginning of the calendar year in which they turn 16 until the end of the calendar year in which they turn 21. *They also must provide their birthdate on the entry form as proof of age.*
- For the shows in this section, adults are **Amateurs (Am or AA)** only if the USEF has certified them as such. Please be aware that, per the adult amateur definition in the Dressage rules, riders cannot compete as an adult amateurs until they are no longer eligible to compete as Young Riders. USEF members who apply for amateur certification will find the word amateur printed on their membership cards. *A photocopy of this card is required as proof of eligibility for Amateur classes.*
- **Adult riders who are not members of USEF** may NO LONGER apply for a USEF Non-Member Amateur Certificate. This was a recent USEF rule change.
- Riders who don't fit any of the above categories must compete in the **Open** division.

Entry rules for horses

- A horse must be 36 months of age (from foaling date) to compete under saddle in the Dressage division. It must be at least 6 years old (January 1 of foaling year to January 1 of competition year) to compete above Fourth Level, and 7 years old to compete at Grand Prix.
- A horse may be entered in a class only once. It may compete in a maximum of three tests per day at Fourth Level and below, or two tests above Fourth Level. Freestyles and Dressage Rider Tests are included in these counts; equitation and materiale classes are not.
- A horse may be entered in no more than two consecutive levels at any one competition. *(Exception: Pas de Deux.)* Note that Intermediate 1 and Intermediate 2 are no longer consecutive levels.

Documentation that must be included with your entry

Some show offices don't have photocopiers, and some show secretaries will return your entry as incomplete if you don't include proof of required memberships. That said, yes, it is perfectly legal to apply for any of these memberships at the show. However, it is far preferable to do it :

1) well in advance of the show and
2) on-line, so that you can print out proof of application or temporary membership cards.

Always send photocopies of the following documents with your entry, or as soon thereafter as possible; it will help you avoid long lines when you check in at the show.

WARNING: Membership in ODS does include a Group Membership in USDF, but there is always a delay until that USDF membership is processed and takes effect. If your ODS membership has not yet been processed, or you (or the horse's owner) wait to join ODS at a show, you will also need to complete the USDF affidavit form and submit the $5 affidavit filing fee; scores may be applied to applicable USDF awards if the correct memberships have been applied for.

(continued next page)

Helpful Hints for Easy Entries:

- After you renew your memberships for the current year, go to www. eqverification.org. Follow the instructions to print out proof of USEF and USDF memberships/registrations for you and your horse, all on one page. There's room to paste your current year ODS membership card and a copy of your trainer's USEF Competing Membership card at the bottom. Make several copies of this sheet to submit with your entries. The show secretaries will love you!
- ODS e-mails membership IDs to the e-mail address on record, so if you did not receive your membership ID, please contact the office or go to www.usdf.org/card, input your name and click *submit*; then click on the underlined link "GMO" for your online ODS card.

What is a Qualifying Ride?

When we talk about "capital Q" Qualifying rides, Qualifying fees, and memberships required for Qualifying classes, we're talking about the GAIG/USDF Regional Championship Show, sponsored by the Great American Insurance Group (GAIG).

If your goal is to ride in the ODS Championship Show

It is up to you to keep track of your qualifying scores, which can be earned at any tests of the level. You don't have to declare anything at the qualifying show; just be an ODS member at the time you earn the scores. Qualifying score requirements for the ODS Championships can be found in this prize list. Qualifying scores, "Q" classes, earned for Regional Championships can also be used for the ODS Championships.

If your goal is to Qualify for the GAIG/USDF Regional Championship Show

You must indicate on your entry form if you want your score in that class to be considered as a Qualifying Score. You can determine whether you have achieved the necessary scores to enter a regional championship by accessing a list of horse/rider combinations who have earned two "qualifying scores by going to the USDF web site. Qualifying score requirements for the GAIG/USDF Regional Championship Show can be found in this prize list.
To learn more about the Great American Insurance Group/USDF Region 6 Championship Show, visit the Dressage Northwest website, www.dressagenorthwest.org.

USEF - Licensed / USDF - Recognized / ODS - Approved, Shows Rules

Opportunity Classes

Opportunity classes are intended by USEF to allow entry-level riders to 'test the waters' of recognized competition. There are no USEF membership or horse recording requirements, nor Show Pass/non-member fees, for Opportunity classes. USDF has agreed to follow USEF's lead and waive their affiliate non-member fees and horse registration requirements.

- Horses entered only in Opportunity classes are exempt from the USEF Equine Drugs and Medication fee, but are still subject to and must comply with the USEF Drugs and Medication rules and are subject to drug testing.
- Horses entered only in Opportunity classes are not required to have a Horse Identification (HID) or Recording Number but must list the USEF or USDF HID or Recording number(s) if the horse has been assigned one.
- Riders, owners, trainers, and coaches participating only in Opportunity classes are exempt from USEF membership requirements and non-member fees, but are required to list the Federation membership number if the participant is a member.

Please note that:

- Entry in Opportunity classes is not limited to non-members. However, Dressage Opportunity Classes are for entry level riders [GR821.2e2]. Experienced riders who just want to give a green horse some show experience without incurring membership/ recording fees are directed to Introductory tests, rather than Opportunity classes.
- Membership fees are only waived for the Opportunity classes; people and horses entered in 'regular' classes (if management allows cross-entry) are subject to the usual horse recording and membership requirements.
- Results for Opportunity classes are reported, but they do not count toward any awards, nor qualify for any championships – not even if membership requirements are met. They are practice classes.

The above information is provided as a courtesy; please read USEF General Rule 821 for full details.

A separate entry blank is not required for Opportunity classes. All that is required by the USEF is to list "Opportunity" in the class title. In addition, if it is an existing USEF class, then the specs do not need to be specified in the prize list. Otherwise, the specifications would need to be listed for any unrecognized USEF class.

USDF Statement on Animal Welfare

The United States Dressage Federation, Inc. (USDF), a federation of over 100 independent organizations throughout the United States with a membership of nearly 30,000 members, supports the concept of ethical treatment of animals.

Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved.

The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed.

Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life.

While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival.

As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.

This competition is recognized by USDF for 2018

USDF Membership Benefits: USDF is dedicated to education, the recognition of achievement, and promotion of dressage. For details on member benefits, including educational programs, awards, and other opportunities, refer to the *USDF Member Guide* or the USDF website at www.usdf.org.

Membership Requirements for USEF-licensed/USDF-recognized Competitions: Owners and riders, including foreign riders and owners who are not residents of the US, wishing to participate in a USEF-licensed/USDF-recognized competition as a rider or owner/lessee, must have either a USDF Group Membership (GM), Participating Membership (PM), or have a USDF Non-Member (NM) identification number and pay the USDF Non-Member (NM) fee. (Note: USDF Business Members can own horses but cannot compete as riders with their USDF Business Membership.) Individuals cannot compete at a USEF-licensed/USDF-recognized competition with a USDF Education Membership.

Horses competing at USEF-licensed/USDF-recognized competitions must have either a USDF Horse Identification (HID) number or a USDF Lifetime Horse Registration (LHR). Proper credentials or verification certificates must be presented to the competition secretary.

Riders and owners wishing to participate in a USEF-licensed/USDF-recognized competition, and not able to present the competition secretary with verification of a USDF membership or NM identification, and USDF LHR or USDF HID, must complete a USDF Competition Affidavit Form and pay the $5 affidavit filing fee. A copy of a completed affidavit form from another competition may also be used for verification purposes for up to 60 days. (Exception: Affidavits cannot be used at Great American Insurance Group/USDF Regional Dressage Championships.)

Exceptions:

- Horses competing only in Individual Breed Classes (IBCs) at DSHB competitions, sires and dams of horses in DSHB group classes, where those sires or dams are not actually competing in the same competition, horses competing only in breed restricted dressage or DSHB classes at Regular Competitions (e.g. all Arabian, all Friesian, or all Morgan classes), or in USDF Introductory Level tests, pas de deux or quadrille, are exempt from this requirement. Also exempt are horses ridden in leadline, exhibitions, games and races, classes for 4-H members, walk-trot, academy, and opportunity classes.
- Riders and owners/lessees competing only in classes which are exempt from the USDF HID requirements are also exempt from the USDF NM identification number and NM fee requirements. Also exempt are handlers of horses competing in DSHB In-Hand or Group classes.

Memberships Defined

Participating Membership (PM): A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year ($90), 5-years ($360), or life ($1,800). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21st birthday by December 1 of the current membership year ($72). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan®/USDF Year-End Awards, USDF Breeders Championship Series Finals and the Great American Insurance Group/USDF Regional Dressage Championship program.

Group Membership (GM): A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards program.

Business Membership (BM): A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM ($240) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

Education Membership (EM): A membership issued to an individual directly by USDF. This online education only membership expires 12 months after the date joined. This membership type does NOT allow an individual to compete at a USEF-licensed/USDF-recognized competition.

Non-Member (NM) Identification Number: For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of $35 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the $5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post-competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

Horse Identification (HID) Number: A one-time tracking number for horses ($35). Scores earned by a horse with an HID number will be recorded, but will NOT be counted towards Adequan®/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes or USDF Breeders Championship Series Finals. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of $80. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

Lifetime Horse Registration (LHR): A horse with an LHR ($115) is eligible for Adequan®/USDF Year-End Awards, and eligible to compete at USDF Breeders Championship Series Finals and Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.

Federation Release, Assumption of Risk, Waiver, and Indemnification - This document waives important legal rights. Read it carefully before signing.

I AGREE in consideration for my participation in this Competition to the following:

I AGREE that "the Federation" and "Competition" as used herein includes the Licensee and Competition Management, as well as all of their officials, directors, employees, agents, personnel, volunteers and Federation affiliates.

I AGREE that I choose to participate voluntarily in the Competition with my horse, as a rider, driver, handler, vaulter, longeur, lessee, owner, agent, coach, trainer, or as parent or guardian of a junior exhibitor. I am fully aware and acknowledge that horse sports and the Competition involve inherent dangerous risks of accident, loss, and serious bodily injury including broken bones, head injuries, trauma, pain, suffering, or death ("Harm").

I AGREE to hold harmless and release the Federation and the Competition from all claims for money damages or otherwise for any Harm of any nature to me or my horse and for any Harm of any nature caused by me or my horse to others, even if the Harm arises or results, directly or indirectly, from the negligence of the Federation or the Competition.

I AGREE to expressly assume all risks of Harm to me or my horse, including Harm resulting from the negligence of the Federation or the Competition. I AGREE to indemnify (that is, to pay any losses, damages, or costs incurred by) the Federation and the Competition and to hold them harmless with respect to claims for Harm to me or my horse, and for claims made by others for any Harm caused by me or my horse at the Competition. I have read the Federation Rules about protective equipment, including GR801 and, if applicable, EV114, and I understand that I am entitled to wear protective equipment without penalty, and I acknowledge that the Federation strongly encourages me to do so while WARNING that no protective equipment can guard against all injuries. If I am a parent or guardian of a junior exhibitor, I consent to the child's participation and AGREE to all of the above provisions and AGREE to assume all of the obligations of this Release on the child's behalf. I represent that I have the requisite training, coaching and abilities to safely compete in this competition.

I AGREE that if I am injured at this competition, the medical personnel treating my injuries may provide information on my injury and treatment to the Federation on the official USEF accident/injury report form.

BY SIGNING BELOW, I AGREE to be bound by all applicable Federation Rules and all terms and provisions of this entry blank and all terms and provisions of this Prize List. If I am signing and submitting this Agreement electronically, I acknowledge that my electronic signature shall have the same validity, force and effect as if I affixed my signature by my own hand.
